

CHOPSTICKS CHATTER – December 2022

	<p>Trace and Jan had a stall at the Gateway Jingle and Mingle event.</p> <p>The hands and Voices choir performed some great Christmas songs.</p>
	<p>Tracey and Tasha attended the treat me well meeting at the Mencap centre again.</p> <p>We talk about problems people have accessing healthcare and how it could be made better.</p>
	<p>The garden clearance is going well.</p> <p>We had to borrow a tractor to help move some of the heavy machinery.</p>

Frances from Truly Plumptious kindly gave us a big box of treats for Christmas.

Our Christmas party was fantastic!

We played games, danced, ate some delicious food and had a surprise visit from Santa!

CTS UK surprised us with a large donation of high viz jackets with our Logo on the back.

These will keep us warm on our deliveries.

As always, this time of year we have been very busy delivering sticks to our customers.

We closed for Christmas and new year.
