

CHOPSTICKS CHATTER – February 2023

	<p>We attended Northallerton Community action day where we chatted with others offering help to the community.</p>
	<p>Josh returned to work! It is great to have him back.</p>
	<p>The weather is still cold, and we are still out delivering lots of sticks.</p>

Everyone has helped break up pallets to put through the saw.

We have been looking at new garden clients for this year's grass cutting season.

The members are happy with the new jumpers available.
