

CHOPSTICKS CHATTER – January 2023

	<p>We have some new Chopsticks jumpers available to buy.</p>
	<p>Josh and Rachael are doing well and will hopefully be back to work next month.</p>

The van has been serviced and cleaned by the lovely team at Northallerton Service Centre.

We are still busy with our deliveries, especially after seeing a little bit of snow.

We have finished the garden clearance after 3 long months and lots of hard work.

We all work really hard in the workshop but always make time for fun.

This month we have been practising our broom guitars!
