

CHOPSTICKS CHATTER – November 2022

	<p>Tasha, Anthony and Niamh attended the Learning Disability and Autism Partnership Board celebration day in York.</p> <p>They listened to people talk about the importance of self-advocacy and enjoyed the lunch provided.</p>
	<p>Two new members have joined the team this month.</p> <p>Meet Bobby and Charles.</p>
	<p>We are having a new boiler fitted.</p> <p>The lovely guys at Midtherm Flue Systems supplied some parts for free. Thank You!</p>

We have been working on a big garden clearance job.

It has been hard work and we are close to finishing now.

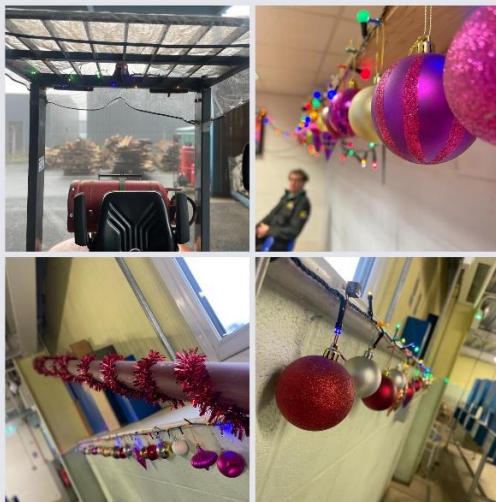

All the staff took part in some CPR and Defibrillator training one evening after work.

We took some time out of the workshop to watch England play in the world cup.

Dom loves football and enjoyed watching the game.

Laura has decorated the building ready for Christmas!
